

HARMONICA

Every element in this kitchen harmonises beautifully, like a melodious tune. The smooth swing of the lift-ups on the wall shutters complement the soft-closing of the base unit drawers. The glossy lacquered shutters in shelter glass design are quite a visual delight too. Accentuated with elegant light fixtures, this kitchen truly deserves the spotlight.

Features

- Lacquered Shutters in exclusive birch ply 21 mm, both sides painted; back with matt finish, front with matt / gloss finish.
